

Total Rejuvenation of Paducah

Cancellation/No Show Policy

Effective November 01, 2013

While we make every effort to accommodate our guests we regret that late cancellations or failure to show for a service(s) will incur a \$25 fee per treatment for all no-showed appointments. Fee must be paid before next visit.

Spa parties and spa packages as well as Saturday appointments require a 48 hour cancellation notice. All other services require a 24 hours cancellation notice.

If a client no show's an appointment that is part of a packaged service they will loose that service from their package.

We sincerely appreciate your consideration in honoring our cancellation policy. Thank You for understanding.
